Agenda_Feb_20_2016

1. Check to see if everyone has set up git/yodiz
2. Work on getting the initial stages done: (Get a couple of sentences for each)
   1. Sales Pitch
   2. Target Audience
   3. Need for application
   4. Previous Approaches
   5. Related Work
   6. Previous Experience
3. Assign people to the Approach/Evaluation. Come up with a goal for what we want completed by next week.
